DUANE A. BEAUBIEN, Principal of Dover School on Sheffield avenue received three Kwanzan cherry trees from Mrs. B. L. Roberts, chairman of the tree planting committee for the Campbell Garden Club, this being a project of the club that all churches, schools and public buildings have flowering cherry trees. In the picture, left to right are Beaubien, Mrs. Mel Cotton, Mrs. Roberts, Mrs. Fred Smith, Mrs. Roy Sindel, Mrs. Robert Dunn, Mrs. Cel Gerevas and Mrs. Martin Walsh.

CENTRAL AVENUE MIGHT EXTEND TO SANTA CLARA

A study is being made by the Planning Commission of Campbell of a plan which would extend Central Avenue north from the city limits at Dutard Avenue so that it would connect at Monroe street at Williams Road and continue on to the Santa Clara City limits at Stevens Creek Road, probably as an 86 foot thoroughfare. While there is no immediate prospect for such work, the commission is concerned that it have official recognition so that building developments will not disturb proposed rights of way.

Nestor Barrett told the commission last Thursday evening that a new map of Campbell is now being made to include all of the recent annexations and extending its sphere of influence to the Saratoga and Quito Roads on the west, Williams Road on the north, Meridian and Leigh avenues on the East and 3000 feet south of Casey Road.

The commission continued the hearing on the E. A. Garrison application to rezone property on the east side of Winchester road north of Latimer from R-3 to C-2-S. A building plan would provide for about six small shops having a total of 7200 square feet and costing about $45,000. It would be 126 feet long and 38 feet deep, but the commission pointed out there would have to be three parking spaces per 250 square feet of floor space. The commission deemed that depth of the proposed shops might be impractical and suggested that it might be desirable to extend present operations of apartment units from the adjacent site. The northeast corner of Latimer and Winchester, owned by Dave Rutherford had been zoned so that in the event the Mortuary was sold to the High School it could be set up at this location, but Rutherford reported at the meeting he does not intend to use the property for that purpose now and that he is negotiating for its sale as commercial property.

The commission approved application of R. C. Rice to change zoning of property adjacent to the new shopping center, and March 17 was the date set for a hearing on a variance application for property on Ridgely Drive owned by Philip Dick Lively.

Joint Meeting Of Kiwanis Clubs At Cambrian Park

Charter night for two newly organized Kiwanis Clubs has been tentatively set for April 16 at Scottish Rites Hall in San Jose it was announced by William Henley, Lieutenant-Governor of District 12 at the Cambrian Park Kiwanis Club meeting. Charters will be for the Quito-Saratoga Club and for the Cupertino Club.

At the joint meeting yesterday in Cambrian Park, 21 members of the Campbell Club were present, with Bernie Dale presiding. Henry Jewell is to be Division Secretary.

Harry Farrell, political editor for the San Jose Mercury told of what has been going on with San Jose State College enrollment ceilings, saying a sub committee had recommended lifting the ceiling by increasing appropriations, but that several hurdles had to be gotten over before this becomes final. Separating the Junior College and the State College upset some of the financing structure. Last Fall the State Superintendent of Education put a limit of 6400 on the San Jose State enrollment but more than that number were registered there in September.

Farrell then told of water projects, indicating the flow from northern California dams would be pooled in the Delta area and sent by canals to Southern San Joaquin and even over the Tehachapi to Southern California, and by another canal to Santa Clara and San Benito Counties. This is the plan of the present State Engineer. The Attorney General however cites that Riparian rights will hold the water in the north if a greater need exists here.

Community Service To Distribute Funds To Agencies

The board of directors of the Campbell Area Community Service Fund which met recently, voted to affiliate with the Community Service Welfare Council of Santa Clara County. This affiliation will entitle the Campbell area to have two representatives on the board of the Community Welfare Council of Santa Clara County and they will be elected at the board's annual meeting in March.

The question of whether to disband the local Campbell Area organization will be decided at the February 27 meeting which will be held in Campbell High School auditorium at 8:00 p. m. All representatives of benefiting agencies are urged to be present at this meeting.

The Campbell Area Fund drive is now officially closed with a total of $8,349.20 in the account, plus 20% of this total to be received from the United Givers Plan which will increase this amount to $10,019.04. However, pledges are still being received and will continue to be accepted. Distribution of the money now in the account will be made to the receiving agencies at the February 28 meeting, provided the check from the United Givers Plan is received.

Cambrian Class Exhibits Stamps

A number of Cambrian School students exhibited their stamp collections at St. Claire Hotel on Sunday, where the San Jose Stamp Club displayed its annual philatelic showing. One section was reserved for juniors, with suitable ribbon and certificate awards offered worthy exhibits.

The Cambrian group is led by Mrs. Violet Pomeroy, with meetings held during the noon-day recess. They collect and display stamps of the various countries being studied to dress up their written assignments.

Students entering displays for Sunday's show were Karen Doolittle, showing Latin American countries; Fred Williams entering first-day covers of U. S. and United Nations stamps; Rosemary Cornish with Tanna Tuva and Hungarian stamps; Larry and David Knight showing National Parks souvenir sheets and Guatemalan airmails and regular postage stamps; Mary Ann Ross, with Spanish colonies and the Vatican stamps.

More than 400 persons attended the show and viewed 100 frames of stamps of the world, including many very rare and valuable specimens. Roosevelt and Willow Glen schools were represented with the Cambrian group.

CAMPBELL READY TO FETE BILLY WILSON

Everything is in readiness for the Billy Wilson program Saturday evening in the auditorium of the Campbell High School when at least fifteen members of the San Francisco 49er football team will be present along with Frankie Albert as Master of Ceremonies as movies of the 1954 season games are released for the first time, followed by the first showing of the pro-bowl game at Los Angeles when Wilson, a Campbell resident, was voted the outstanding player.

Dan McGuire, public relations man for the team in a letter to Joe Anello of the Campbell Press said that he and Mrs. McGuire will be happy to be present to "honor Billy Wilson, one of the greatest football players and finest gentlemen we've ever known".

The program, which gets under way at eight o'clock will be opened by Mayor Richard Morton with an address of welcome. Next will be the introduction of Frankie Albert and Bob Fouts, who will introduce players and their wives. Pictures of the 49er team will be available to all. The auditorium can handle 1150, and indications are that it will be filled to capacity.

Bob Fouts, who has a TV sports program will be present along with Frankie Albert, one of the game's greatest stars who is to M. C. the program.

Last night at the San Jose State vs San Francisco Dons game in San Jose, the Billy Wilson program was frequently mentioned. It was also mentioned Monday evening on Bob Fouts TV program and on Frankie Albert's TV show. It was on the Ebb Bohn's Stars of The Future program Saturday on the Radio Station KEEN and will again be mentioned this Saturday morning at 11:05 on the same station. Bob Bloom is to tape record the meeting Saturday night for rebroadcast.

Other members of the 49er team who this week sent word they expect to be here Saturday night are Clay Mathews, Nick Feher, Don Burke, Ted Connolly, Bob Toniff and Dan McGuire, while those previously listed to be present are Joe Perry, Bob St. Claire, Gordy Soltau, Y. A. Tittle, Hardy Brown, Bruno Banducci, Jim Cason, Hugh McElhenny and of course, Billy Wilson, ex-Campbell High school player.

Campbell has gone all out for this celebration and a 48-page program shows the interest. Billy is to be the recipient of gifts from merchants and fans here.

The Yellow Cab Company of Campbell has offered to take anyone at any point in Campbell to the auditorium free, provided they have a ticket.

Benson's Cleaners turned over both of their display windows in promoting the event which is sponsored by the Campbell Police Auxiliary to raise funds toward a Youth Center in Campbell. Tom Casey, Nick DiMuzzio and Joe Anello have been in charge of arrangements.

Another feature of the program Saturday will be a band directed by Sam Cava playing some of the college songs.

RADIO HAMS TO ORGANIZE

A few ham radio operators in the Campbell vicinity have decided to band together and form a club. The club is now in the process of organization and at present is looking for a place to meet. They have held two meetings at home of members and have scheduled the next one for Wednesday, March 2, at 14916 Charmeran Avenue, Cambrian Park.

The objective of the club is to work into civil defense communication. One of the group has offered high frequency gear for this type of communication but until a place is found suitable for installing this equipment, it will probably not be used. Anyone interested in amateur radio is invited to attend the next meeting.

CAMPBELL SIXTH IN WRESTLING MATCHES

Callaway of Campbell High won from Tipton of Hollister in the 175 pound finals Saturday at Tulare to give Campbell a sixth place in the northern California wrestling championship. Last year Campbell won first place in the tournament.

Planners Meet On Subdivision Problem Friday

Residential subdivisions will be the topic for the winter meeting of the Tri-County Planning Council to be held at Rickey's Studio Inn in Palo Alto on February 25, 1955.

Members of the Campbell Commission attending will be Commissioners: Harmon, Hyde, Logue, Solari, Tomlinson, Nestor Barrett, Kahle.

The Tri-County Planning Council is an organization of Planning Commission members from San Mateo, San Francisco, and Santa Clara Counties. Bob Zink of Sunnyvale and Bob Page of San Carlos are officers.

13 MEMBERS IN AUXILIARY POLICE

There are 13 members of the Campbell Auxiliary Police according to a roster compiled February 1 by Captain John Wimbley of 240 W. Campbell avenue. Donald Locke of 359 E. Parr is sergeant, and the other members include Cal Alford, 1050 Hack Avenue; Ray Strong, 111 S. Union; Jerry Collins, 769 McBain; Charles Morton, 356 Carlyn; Richard Locke, 679 Kenneth; Perry Hull, 739 Fewtrell; G. J. Spinazze; Vince Diehl, 251 W. Latimer; Nick DiMuzzio, 110 N. Carlyn; Donald Perkins, 551 Emery and R. C. Foster, 711 Eldon Drive.

FIREMEN TEST EQUIPMENT

Firemen held a fire drill last Sunday morning at 9:00 a. m. and tested new hydrants on Dover Street. Hydrants and hoses were tested for pressure and pumped out of the trucks. Ten volunteer and two regular firemen turned out for the drill in engines one and two.

Faculty Selected For New Steindorf School

Ten teachers at Cambrian School are preparing to move with their principal, Leslie Norberg to the new Frank Steindorf school when it opens early next month, but the enrollment problem is still acute. The 10-classroom school about to be opened, was designed for 300 pupils, but already 395 have been registered from within the area south of Union including Hacienda Gardens, Glenwood, Westpark and a portion of Cambrian Park.

Application has been made of the state for another wing to house five more classrooms, to be built when the contract is let for a third school on a 12½ acre site off Dry Creek Road west from Leigh and Harris avenues to cost about $240,000.

Principal Norberg today said the Steindorf School faculty will include Albert Vatuoni 6th grade, Harold Ely 5-6 grade, Jerry Brown 4th grade, Ann Stapleton 3rd grade, Patricia Pope 2-3 grade, Carol Hickman 2nd grade, Pearl Blessing 1-2 grades, Elsie Steinberg and Joy Wilson first grade and Yvonne Bosholm kindergarten. Part time teachers include Tony Rapasarda, instrumental music and Evelyn Sukup, speech with Catherine Anderson, nurse.

Head of the cafeteria is to be Mrs. Marie Azeveda assisted by Mrs. Martha Rapheld.

The proposed school off Dry Creek would serve West Park, Glenwood, Unit 5 of Hacienda Gardens and possibly the Shady Dale and El Solyo street areas.

Still another school site owned by Cambrian district is on Woodard Avenue but no plans or financing are available on it at this time, according to Delos Bagby, district superintendent.

Building Permits Now $557,000 In February Here

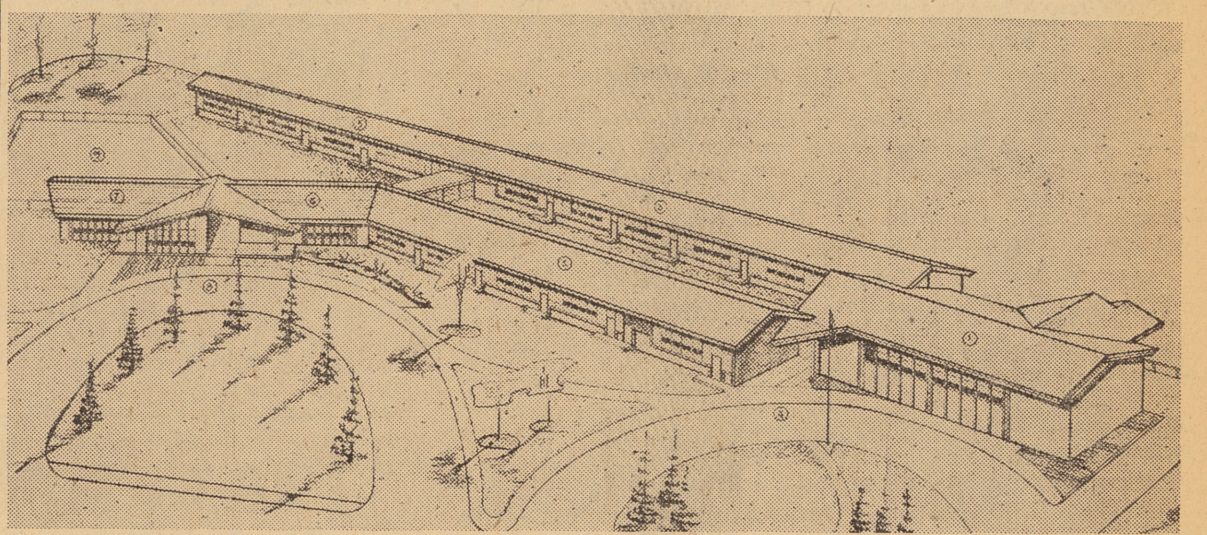
Permits were issued for ten more new homes in Campbell this week, costing $98,000 and bringing the total for the first three weeks of February to $537,000.

Those to whom permits were issued this week were Peter Kocjan for a $12,000 home on Carlyn avenue, Pacific Atlas for a $12,000 home on Phantom avenue, Heers Associates for eight homes on White Oaks Road $74,000 and G. H. Peterson for $200 alterations on his home at 1000 Walnut Drive.

CAMPBELL TEACHER AT TENURE MEETING

Calvin Roll, 8th grade teacher at Campbell Union Elementary School, attended a meeting of the California Teachers Association Tenure Committee last Saturday in San Franciscc.

The group developed plans for thorough presentation of proposals regarding teacher tenure to educational committees of the state legislature.



Another 10-classroom school is planned for Cambrian Park on a site bound on the west by Leigh avenue, east by Harris, north by Custer and south by Curtner, this plan being up for approval of the State Apportionment board. Expected to be out for bid shortly, efforts will be made to have construction work under way in May. The second school in the Cambrian district is not yet finished although, known as the Steindorf school, classes are expected to start there within the next three weeks. Designed for 300 students there already are 395 enrolled so plans are ready for a five-classroom wing to be built at the same time as the Leigh avenue school is started.

On Los Gatos-San Jose Highway

Traffic Signals Are Planned For Campbell And Union Avenues

That additional paving and the installation of traffic signals and traffic islands are likely to be set up at both the Campbell avenue and the Union avenue intersections with the San Jose-Los Gatos Road was indicated in a letter today received by Assemblyman Bruce Allen from G. T. McCoy, state highway engineer.

Assemblyman Allen had on October 8,. 1954 in a letter to the highway division asked that a study be made of traffic conditions at these two intersections.

The letter from McCoy said the investigations were completed and the department found the need existed for signals, islands and paving.

After completion of the plans, estimate of cost and agreement with the city and county for participation in the cost of the signals, consideration will then be given by the state to the financing of the State's share of the cost on the basis of the need at these locations on State highways in Santa Clara County and throughout the State.

MORELAND HAS COMMITTEE FOR ADVISORY WORK

Sal Millan was elected president of the Moreland School District Advisory Committee on Monday evening at the school. The committee will study present and future school needs and help school trustees in their deliberations.

Others elected were Prof. Henry Nettesheim, vice-president; Gerry Barr, recording secretary and Mrs. Martha Bruce, corresponding secretary-treasurer.

Members of the steering committee include Robert Brydon, Thomas McNair, Henry Kurasaki, James Hall, Clarence McVey, Mrs. Marion Dearborn, Ott Von Herrman, George Pozas, Clarence Barr, Gordon Spencer, Lester Printz and R. L. Tucker. This committee meets again next Monday to name a committee to draft by-laws.

Next general meeting is to be Monday evening, March 14.

Grange Has Gala Costume Party

The Costume Party of Orchard City Grange arranged by Josephine Biller, lecturer ,was judged a huge success when members arrived dressed in styles dating from George Washington's time to the "gay nineties". The hall was decorated with gay bunting and many George Washington hatchets made by Flora Cora Kaufman. After a short business meeting, those in costume held a parade for the judges to determine the winners and award prizes and Mr. and Mrs. Henry Anet gave an exhibition of an old fashioned waltz. John Gordon, district deputy, took several pictures.

The meeting was opened by Henry Anet, acting as master pro tem in the absence of Herbert Shadle, master of the Grange, and Mrs. Shadle who are on vacation at Palm Springs. It was announced that the next meeting of the Home Economics Club will be at the home of Mrs. Sadie Proctor, chairman, at 2267 Richland Avenue, San Jose. Five new members were accepted into the Grange.

Visitors were Hoddy King, master of San Jose Grange and four of his members, Mrs. Kate Smith, Mabel Wood, Elizabeth Hitchcock, May Apley. From Almaden were Mr. and Mrs. John Buck, Mr. and Mrs. Jay Peancare; from Gilroy, Levy Richman and Mr. and Mrs. Ray Lindeleaf, past master; from Mt. Hamilton, Mrs. Isabel Faunce and Mr. and Mrs. Henry Machado, master of Berryessa Grange.

After the meeting Mervin Keesling furnished music for dancing and refrehments were served in the banquet hall by Mr. and Mrs. Guy Proctor assisted by Mrs. Mabel Huston, Anna Petersen and Mr. and Mrs. D. Bruggeman.

SEWER PROJECT GOING AHEAD IN EAST CAMPBELL

Sanitation District 4 is going ahead with the $94,000 sewer work in East Campbell in view of 51 per cent approval of property owners. There was 32 percent opposition and 17 percent non commital in a postcard and telephone survey, according to Stephen Goodman, manager.

Goodman said the Board of Directors has appointed Thelo A. Perrott as engineer and Kenneth I. Jones as attorney to begin legal preparations for the project.

Streets included in the project are Ridgely drive, McBain avenue, Memory Lane, McBain court, Fewtrell drive, Midway street between El Solyo avenue and Robway, Campbell avenue between Union avenue and Midway street, Barbano avenue, Michael drive, Union between Apricot and Campbell avenues, and Apricot between San Jose-Los Gatos road and Union.

The survey also included El Solyou avenue and the west side of San Jose-Los Gatos road between Fewtrell and Hamilton avenue, but opposition was extensive.

A tentative time schedule calls for assessment rate bids to be opened late in May. A protest hearing is slated for June 1, with construction to begin about June 23. Project completion has been set for Nov. 1.

"The board has timed the project to obtain the best working weather possible, particularly during the summer," Goodman explanied.

The area covered by the survey embraces almost 250 homes and commercial developments.

Goodman said estimated project cost to property owners will be about $91 an owner for a lateral sewer, plus $3.42 assessment a frontage foot. The average 70-foot lot in the area will pay about $330 for the entire hookup, Goodman said Payment can be made within 60 days of the board's resolution to start construction, or over a 15-year period at an estimated interest rate of 3½ per cent.

HOMEMAKING AND HOUSEKEEPING

(Winning entry by Nancy Richards, Campbell High School senior student in "Homemaker of Tomorrow" contest.)

Homemaking is more than housekeeping because of the difference between a house and a home. A house is an inanimate object used to shield a family from the elements. A family changes a house into a home.

A home offers a place of refuge for each member of the family—all different, yet all basically alike.

For the father, home is a place to come after a hard day of work, where he can see and enjoy his family. To the children it becomes a place to bring friends and to share the events of the day with their parents. For the mother, however, home is a sacred institution of which she is part creator, head, judge, politician, seamstress, cook, maid and hostess. The house is her responsibility as is the home.

To keep a home takes love, understanding, fair play and a sense of humor. Indeed, anyone could be a housekeeper, but only a woman who loves her husband and children very deeply can be a homemaker.

WATER, WATER, WATER!

If the vast Feather River water project is begun next year, then Santa Clara and San Benito Counties might have some of its supply by 1987. That is a long time to wait in the face of rapid developments in industry and home building which demand their proportionate increase in water.

State Engineer A. D. Edmonston points out that about two-thirds of the water in the state originates in the least-populated Northern counties while its greatest need is in such far distant places as the Santa Clara Valley and Los Angeles-San Diego area. Cost of the project is estimated at $1,592,908,000, to be paid for by general obligation bonds over a 42-year period. He wants the Legislature to start work now and appropriate $16,000,000, then submit the bond issue to voters for approval.

The water, when the dam is completed, would go down the Sacramento river to the Delta where the pumping stations would start it over a canal system. one of them 585 miles down the east side of the San Joaquin Valley, be hoisted 3357 feet over the Tehachapi then to San Bernardino and San Diego, while another canal would span the Coast range and serve Alameda, Santa Clara and San Benito Counties.

This seems like a tremendous undertaking and a costly one for our generation to cope with for the benefit of another. In the meantime, what has happened to the government research of ways to utilize atomic energy to convert salt water to fresh, and what has happened to the Reber plan to dam the bay so Sacramento River waters can feed Alameda, Santa Clara and San Benito County lands? What's wrong with using a parallel water course from the Hetch Hetchy to bring in mountain water.

One of the factors in determining water needs should be the quality of lands to be served, and we can't go along with the thinking that an undeveloped area with poor soil ought to get water because the draughting board experts figure it can be reached more easily than to an area where the need really exists, and we don't mean at half the state's length away.

WHY THE WEST GROWS

West Coast advertising abilities and talents which help put California products into other markets are constantly being enriched by the westward trend of creative people. This is according to Roy Durstine, a New York advertising executive, who says that this talent is moving west because of attractive living conditions and because transcontinental travel, so speedy now, is no bar to doing business on both coasts.

California seems to be integrated into the national economic pattern in a substantial way. It is certainly taking on a new look here in the Santa Clara Valley, with industrial firms and new payrolls which would be most unlikely operators here, say, fifteen or twenty years ago when travel and communication were more of a problem. The southern area of the San Francisco bay is destined to become one of the metropolitan centers of the west coast, so hang on to your hats.

ELBOW ROOM

If President Eisenhower comes out to the San Francisco "Cow Palace" for the Republican convention, he will not be a stranger to the huge hall, for in 1952 he spoke there to a crowd of 22,000. There would be that many more there to hear him again. The building is larger than Madison Square Garden and could swallow up a ten-story building within its shell. It is 400 feet long, 300 feet wide, and 105 feet high, yet it has no pillars to block the view.

SCHOOLS RECEIVE APPORTIONMENTS

Because of increased enrollments, the schools of Santa Clara County have received from the state more than a half million dollars for attendance apportionments to January 1, 1955. Campbell Union High School heads the high school apportionment with $15,405, while Campbell Elementary was fifth with $31,341 with Cambrian ninth with $18,550.

WE'RE ON THE MOVE Here with new subdivisions starting and with building permits being issued over a thirty day period of nearing one million dollars for new homes, with plans for new stores, new street work, new traffic signals on the highway, new schools, new churches, new service clubs, all of which present new opportunities . . Camden High School is getting ready for opening next September and purchasing of equipment and supplies is under way, classes are being organized, staffs appointed, schedules made . . . Camden Grammar School is getting ready for moving day as ten of the teachers headed by Principal Leslie Norberg prepare to settle over at the Frank Steindorf school squeezing 395 children into a school built for 300.

CUHS FARM is just west of the new Camden school site and Junior Morgan who is to be the Camden football coach has already begun to complain about "smells" but he well knows of the little human and animal dramas taking place with regularity over there . . . sows start farrowing March 10 and the boys are worrying about Sam the orphan pig now being unable to adjust himself to the home life of his pork brothers, seeming to prefer human companionship instead . . . Dick Davis, specialist in farm mechanics for the high school has one of the cleanest shops in the valley.

LIBRARY For Camden High is being set up by Miss Muriel Carson who says there is a need for fiction books, especially dog stories, sports stories, school stories and TAB books . . . so far two sets of encyclopedias have been acquired and ten reference books added.

CAMPBELL Had a ball club back about the turn of the century that was winning from all the teams about the county, but there were no home games played here partly because there was no field available except at the school and because there was objection to Sunday games, according to James Prout of 34 North Central who recently celebrated his golden wedding anniversary and who well remembers the Campbell team winning a hotly contested game at Almaden, star player for the local team being Ed Kennedy, now of Gilroy . . . today there is interest in encouraging athletics, such for instance as that of the Rotary Club in building a field at Rosemary School suitable for some of the Little League games, providing some $4000 worth of materials and workmanship to set up the field for use this Summer, the only field available last Summer being the Campbell Grammar School where play started in early afternoon and continued after the arc lights came on for the various teams and leagues . . . and baseball may not be a lost cause this season at Campbell High School as is was last year even with good coaching for Phil Arman, the Arkansas traveller who has been one o the stars on the Bucs basketball team, was voted all-state pitcher one year and all-state first baseman another year when he attended High School at Hot Springs, Arkansas just before coming to Campbell High.

YELLOW CAB Of Campbell is doing its bit toward helping make the Billy Wilson Day program Saturday a success, offering free transportation to the high school for anyone living in Campbell having a ticket to the event, and believe it or not, Campbell IS to have the premiere showing of the 1954 49er games and have some of the biggest names in professional football present . . . Lowell Benson, the cleaner man, who always has an attractive window display has turned both show windows over to the affair, which is to raise funds for the proposed new youth center.

WESTCHESTER PARK IS NEW SUBDIVISION HERE

Westchester Park in the westerly part of Campbell is being opened for development of 87 new home sites by Taft Realty Company of Kern County and Joe Martin of Campbell. Located off Rincon avenue, west from Virginia avenue with extensions from Christopher, Jane Ann Way and Hunt Way, this 12 acre tract is to be fully developed with sewer, paved streets, sidewalks, square gutters and storm sewers for three-bedroom, 2 bath homes by Joe Martin, builder of Westchester, one of the nice residential tracts just north of Campbell.

A feature of the Joe Martin homes is a built-in range and oven, two inch tongue and groove subflooring and one inch tongue and groove oak flooring.

An announcement in the Press today states that there are three model homes open for inspection there Sunday, and that selections may be made for choice sites now.

Besides being recognized as one of the leading builders in the bay area, Joe Martin is also well known in the entertainment world, having toured with a USO troup headed by Mario Lanza and featuring Jerry Adler, Peter Lind Hayes and others and has been on "Toast of the Town" program.

Rotary Holds Club Assembly

Villa Felice was the locale for the Club Assembly of Rotary members when they met last Monday evening for dinner and to talk over club interests. The Little League Stadium was reported to be in an advanced state of completion and the next work day for the project will be Sunday, March 20.

An election of officers was held following the dinner. New officers who are to be installed in July are: Cel Gerevas, president; Mervill Willoughby, vice president; Forrest Reese, secretary; Don Witzel, treasurer. Two members elected to the board of directors are Ben Strong and George Miskulin.

Thursday evening, March 10, Rotary members and their wives will hold a joint celebration at Marianas for the Golden anniversary of Rotary International and the sixth anniversary of the Campbell Rotary Club. All presidents and officers of other Rotary Clubs in the vicinity will be present.

PLANS FOR SPRING CARNIVAL STARTED

Junior High Girls Slumber Party At Parker School

A "Slumber Party for 7th and 8th grade (junior high) Girl Scouts took place at the Parker cafetorium last Friday night, February 18, with Union District's troops 26 and 77 acting as hostesses. Girl Scout districts represented were Los Gatos, Saratoga, Campbell, San Tomas, Quito and Moreland. The girls met with their "nose-bag" lunches, enjoying an evening of skits, songs and games, under the supervision of their leaders and Miss Martha Anibel, district director.

Two representatives from each troop meet monthly to plan these district-wide events. Last fall the junior-high-age girls enjoyed a swimming party at Club Almaden and at Christmas sang carols for the hospitals.

STAR CIRCLE O. E. S. IS TO MEET TOMORROW

Campbell High To Host Future Homemaker Meet

Future Homemakers of Section 6, comprising homemaking students of twelve high schools from San Benito, Santa Cruz, Monterey and Santa Clara counties, will hold their annual conference at Campbell High School on Saturday, March 5th. Guest speaker will be Mrs. Lela Forbes of Berkeley who will use as her theme "Homes Around The World". Mrs. Forbes has spent several years in India and will talk and give demonstrations on homes, food and clothing of the women of India.

Future Homemakers Association is an extra-curricular activity at the High School supervised by Mrs. Adele Chralson, head of the Homemaking Department, and is open to any girl who has had or is now enrolled in the home economics course. At the present time there are eighty-five members.

The conference will open with registration of all students between 9:00 and 10:00 a. m. in conjunction with a social hour when coffee, milk and doughnuts will be served. The program will begin at 10:00 a. m. with greetings from Section officers, and a roll call of the twenve chapters by the president, Jo Buccellato. The morning business session will consist of discussion of the newly written Constitution which is to be voted on in the afternoon. Ellen Nunamaker of Campbell High School, secretary-treasurer, headed the committee responsible for formulating this new constitution for Section 6.

At noon each chapter will prepare their own box lunches with Campbell High acting as host to guests of honor. Guests will be Miss Mildred Huber, state advisor of Future Homemakers; Miss Ellen Terry, regional supervisor of Homemaking Education for this area; Mrs. Lela Forbes, guest speaker; and Laurance Hill, district superintendent of Campbell High School District.

Following the luncheon the assembly will vote on the acceptance of the new constitution and hold their Emblem ceremony in which eight girls, officers of Section 6, build a large wooden apple, each giving an appropriate verse before adding her section. The conference will close with installation of new officers and conferring of honorary degrees on student members.

CARD OF THANKS

We wish to extend our heartfelt thanks to friends and neighbors for the flowers and kind expressions of sympathy during our time of bereavement in the loss of our dear husband and father.

Rev. Hollenberg To Assume Duties At Local Church

Further signs of growth at the Congregational Church of Campbell are evidenced by the arrival of Reverend Delbert Hollenberg to assume the duties of Associate Minister. Reverend Corwin Olds, minister of the Church, states that Mr. Hollenberg's duties will largely be in the field of Church School and Youth activities, although he will also share in the general ministry of the Church, preaching on occasions.

Reverend Hollenberg is a young man twenty-nine years of age and a native of Redlands, California, where his father is professor of biology at the University. He graduated from the University of Redlands in 1948 with the Bachelor of Arts degree, and from Pacific School of Religion in Berkeley with the bachelor of Divinity degree. He comes to the Campbell Church from Berkeley, where he has been associated with Life-Stream Foundation, a religious foundation. Previous to that he served as Youth Worker at Park-Presidio United Church in San Francisco. His hobbies are photography, gardening, and camping; he is also a tenor soloist.

At last Sunday evening's Fellowship dinner at the Congregational Church, Reverend Hollenberg was introduced to a group of over a hundred people, all of whom are very enthusiastic about him.

Following the dinner, Mrs. Dorothy Royce, principal of Campbell Grammar School, presented her lecture and colored slides on Scandinavian countries for an appreciative audience. With beautiful and carefully chosen slides taken by her self, she illustrated a thoughtful address based on the study tour she made last year in Norway, Sweden and Denmark.

Y-Teens To Have Card Party

A public card party, sponsored by Teen-Age Program committee of San Jose YWCA, will be held tonight, February 24, from 7:30 to 10:30 p. m. at the San Jose "Y". Both bridge and canasta will be played, and prizes will be awarded in each group. Players are asked to bring their own cards and score pads. Nursery service will be available for a nominal charge, and refreshments will be served.

The event has been planned to help the Y-Teens raise their share of the YWCA centennial birthday gift. Tickets may be purchased at the lobby desk, or from the following Campbell committee members: Mesdames Leo Sarter, Ella Griset, Robert M. Ivie and Albert Sloan.

Nancy Richards Is Homemaker Of Tomorrow

Mrs. Adele Charlson, head of the homemaking department of Campbell High School, today announced the winner of the Betty Crocker search for the "Homemaker of Tomorrow" at Campbell High School is Nancy Richards. Nancy who received the highest score in a written examination which tested the homemaking knowledge and attitudes of the senior girls in the graduating class, will now be entered in competition to name California's candidate for the title of All-American Homemaker of Tomorrow. She will be presented with a gold award pin and cook books for herself and the school at a school assembly next Tuesday.

In the examination senior girls were given 35 minutes to answer 145 questions and ten minutes to write an essay on the subject "How Does Homemaking Differ From Housekeeping?" (see essay on Editorial page.)

The national winner in this search conducted among 187,000 young women in 8,000 of the nation's public, private and parochial high schools will be named April 21 at an American table fete in Philadelphia.

A scholarship of $1,500 will be awarded each state winner, and she will receive a trip with her school advisor to Washington, D. C., colonial Williamsburg, Virginia, and Philadelphia. Her school will receive a set of Encyclopedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to $5,000. It was previously announced as $3,500.

General Mills is the sponsor of this program designed to assist schools in building in young women a deeper appreciation and understanding of the American home and the personal qualities necessary to successful homemaking.

Girls Named CSF Chapter Leaders

Four senior girl students at Campbell High School were elected to key positions in the chapter here of the California Scholarship Federation.

They are: president, Carole Foster; vice president, Jean Rafferty; secretary, Nancy Richards; and treasurer, Mary Ann Denning. Sergeants-of-arms elect are Lani Cahill and Hector Cordova. These officers and other club delegates attended the Regional CSF convention held at Menlo-Atherton High School, Saturday, Feb. 19. A tour of the Stanford campus was a feature of the day's activities.

Writers Workshop Producing Results

The Writers' Workshop at Campbell High School, now concerned with article writing, short story and verse writing, is turning out some successful work today, according to George Sherman, instructor.

One member of the group has a poem in the winter issue of the Pacific Spectator published at Stanford University, another has a poem just accepted by the Contemporary Reader and an article scheduled for publication in the next issue of Frontier magazine. Another member has had personal letters on her poems from the editor of Ladies Home Journal while another member has written several chapters on a novel. The biography of her father is the subject for another member.

The Workshop is conducted under adult education program on Thursday evenings.

Art Students To Tour Art Exhibits

To further interest in Art the Honorary Society of Campbell High School is taking 60 students of Mrs. Marian Winston's Art department to San Francisco Saturday to see the Scholastic Art Awards exhibit now on display at the Emporium. After viewing the exhibit which includes art work of Campbell High students, the group will take a boat trip around the harbor in the morning and go to the DeYoung museum in the afternoon where they will hear a guest speaker, Mrs. Lorene Tansey, ex-curator of the Brooklyn Museum. Mrs. Tansey, one of the group's advisors and the wife of Dr. Richard Tansey of San Jose State College, will explain the Crest exhibit of Goya and other well known artists of the 14th to 18th century. All during the tour students will make sketches of the interesting things they see with prizes given to those judged best at the close of the day.

Advisors making the trip with the students are Mrs. Marian Winston, head of the Art department; Mrs. Edna Flagg; Mr. and Mrs. Rupert Blackmun, Mrs. Richard Tansey; and Mr. and Mrs. Kenneth Brown.

Blind Dog Topics At Legion Meet Here Last Night

At the joint meeting of the American Legion Post 596 and Auxiliary last night in the I. O. O. F. Hall in Campbell, Mrs. Leonard Wade, San Jose Guide Dogs for the Blind Committee member, presented the sound and color film, "UNDEFEATED".

Also present at the meeting, to answer questions following the showing of the film, was Edwin Lanini, with his Guide Dog "AGATE". Lanini is one of the more than 400 graduates of the Guide Dog for the Blind School at San Rafael, since its origin in 1942. During 1954 Guide Dogs for the Blind, Inc. enrolled 82 students, the largest production in its history. Its goal for 1955 is 90 students. Guide Dogs for the Blind provides dogs without charge of any kind to blind applicants from the 22 states west of the Rockies and the Territory of Hawaii, and are very proud of the fact that over 90 percent of the graduates are supporting themselves, and many are supporting their families as well. The rest are housewives caring for their families, and students.

The present drive for funds to carry on this work will continue until March 15th.

Golden Gate Park at San Francisco is one of the world's most picturesque parks, with beautiful gardens, lawns, lakes, groves, playfields, footbaths, equestrian trails and motor roads.

Union School To Hear Educators In Panel March 4

To acquaint parents with some of the services of the office of County Superintendent of Schools, the Union District Home and School club will introduce six leading officers at its next meeting, March 4 at 2 p. m. in the Union school cafetorium. The panel to speak will be Dr. O. S. Hubbard, county superintendent of schools; Dr. C. R. Tympany, asst. superintendent; Dr. Nan Allen, director of pupil personnel services; Dr. Lola Fay Gordon, general supervisor; Miss Botilda Hansen, general supervisor; Miss Audrey Levit, psychologist.

Mrs. Manley Nelson, president of Union Home and School club, will announce the nominating committee for new officers. Mrs. Arone Howe will report on the survey vote of whether Parker and Union Home and School clubs will be separated or not.

Progress of the Spring Carnival to be held at Union school will be discussed. Already signed up for booths are Cub Pack 38, ice cream; Girl Scout Troop 26, game of skill; Girl Scout Troop 151, Candy Lane; Mrs. Sanchez, cafeteria.

Sixth grade room mothers will serve refreshments, and baby-sitters will be provided for pre-school children.

Lincoln Day Fete Tonight At Hawaiian Garden

More than 500 persons are expected at the Lincoln Day Dinner for County Republicans, this evening at the Hawaiian Gardens in San Jose.

George Murphy, movie star and former chairman of the State Republican Central Committee will be the speaker. In the political picture, George Murphy was closely associated with the past Presidential campaign when Eisenhower was running for the Presidency and as a gesture of appreciation for his handling of the Inaugural Ball at Washington, D. C., he was presented with a cigarette case bearing the autographed names of President Dwight D. Eisenhower and Vice-president Richard Nixon.

The ticket sale is being handled by Mrs. H. H. Combs, FR 8-4787 and Major H. E. Lillingston, FR 8-2772. The ticket committee reports that a great deal of interest has been shown in this dinner affair sponsored for the purpose of paying tribute to President Lincoln.

The Blue Wing Inn at Sonoma is believed to be the first hotel or public house established north of San Francisco.

Campbell Art Students Win Exhibit Awards

Campbell High School has every right to be proud of its Art department which, under the capable direction of Mrs. Marian Winston, has managed to win from one to six awards in the Scholastic Art Awards Exhibition each year. This year twenty-one of her students sent twenty-five entries and of these, four students won a total of six awards; one first and five place awards.

Over 6,000 entries from California High Schools were sent to the Exhibition which is held annually in San Francisco, and of these only a few hundred are hung. The art work is entered in fifteen classifications and considered by forty-five judges who determine the winners. Winners of the coveted gold key are entered in national competition at the Carnegie Institute in Pittsburg, Pennsylvania, which is judged in May.

James Duran, a junior at Campbell, won a gold key for his entry in the colored ink division, and a place award. By winning the gold key, James' entry will now be sent on to national competition at the Carnegie Institute. He competes in the Senior Division.

Carole Hansen, a junior student won a place award for her illustration. She competes in the Senior Division which includes junior and senior classes.

Gloria Escover, a freshman, won a place award for her design to music. She competes in the junior division of freshman and sophomore students.

Joellen Paul received two place awards for her two entries of opaque water color landscapes. She also competes in the Junior division.

Art students who also sent entries are: Irene Cordova, Patricia Belardes, Phyllis Davidson, Merle Martin, Linda Romero, Eddie Watson, Gerald Weich, Berylann Bush, Amelia Urbina, William Herzog, Dan Zanvettor, Paula Ann Morse, Karla Edsinger, Zinta Brunaus, Linda Curtis, Connie Coombs, and Bill Tyger.

In May the entire group of entries will be exhibited at Ribbles Stationary in Campbell under the sponsorship of the Los Gatos Art Association.

Brownies Honor Mothers With Tea

Mothers of Brownie Troop 270 were guests of honor at a Tea last Wednesday afternoon when the members of the troop held an investiture ceremony in the parish house of the Methodist Church. Each girl in turn introduced her mother and served her tea. For the occasion table decorations were in the Brownie colors of gold and brown.

Before the social hour, Mrs. Jerry Collins, neighborhood chairman, re-dedicated the leader, Mrs. Wanda Brown; and the co-leaders, Betty Grizzle and Evelyn Arends. Adult committee members are Mesdames Phyllis Anderson, Frank Stanley, and Wanda Garner.

The five little girls welcomed into the troop by the investiture ceremony are Valerie Goodwin, Karen Nishikawa, Barbara Smith, Mary Ellen Soto, and Judy Stanley. A new member recently transferred into the troop is Nancy Beck.

During their ceremony the Brownie Troop used for the first time a Brownie flag made and presented to them by their leader, Mrs. Wanda Brown; and an American flag donated by the Lions Club. Poles and standards for both flags were gifts from the Campbell Lumber Company.

Other members of the troop are Karen Anderson, Gretchen Arends, Evelyn Arends, Frances Barrett, Patty Baughman, Sandra Brown, Mary Frances David and Sandra Garner.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me, I will reply at once and tell you how I received this wonderful relief.

Black Discusses Decorative Trees With Garden Club

LeRoy Black, superintendent of streets of Campbell, was guest speaker at a meeting of the Kwanzan Cherry Thee committee of the Campbell Garden Club last week, at the home of Mrs. B. L. Roberts, committee chairman, advising the use of the Kwanzan Cherry as a decorative yard tree, rather than as a street tree, except in blocks where the plantings have already started. He suggested the liquid amber, camphor, and flowering plum, as better specimens for street planting.

Black mentioned several streets in Santa Clara, where the flowering plum makes an attractive year around showing, then with the committee outlines a tentative program for planting of trees and other material on the streets of Campbell.

Members of the Kwanzan Cherry Tree committee include the Mesdames B. L. Roberts, Martin Walsh, Phil Luoto, Cel Gerevas, Melvin Cotton, Roy Sindel, Fred Smith and Robert M. Dunn. This group presented three of the Kwanzan cherry trees to the new Dover school last, with Mr. Duane Beaubien, principal, accepting.

The next meeting of the Garden Club will be on Wednesday, March 2, at 2:00 p. m., at the Library club house. Mrs. Fred Smith, chairman of the conservation committee will present a program on conservation of natural resources, with the presentation of color slides, "America the Beautiful", by the P. G. and E.

Mrs. Robert M. Dunn, president, announces that the nominating committee for the election of new officers is to be chosen at this meeting, and there will also be a discussion about the coming flower show.

HEART FUND DRIVE LAGGING

An urgent appeal for generous support of the Heart Fund campaign, now in progress, was issued today by H. O. McCormick, Santa Clara County chairman.

The drive is lagging, apparently because many people do not fully realize the great importance to every family and every individual of the battle being waged against heart disease, McCormick said.

"Although heart disease is for and away the No. 1 menace to our health and lives, we are asking only the comparatively small sum of $29,750 in our county-wide campaign", he stated.

"This is a modest budget and we are making excellent use of the money, particularly in the field of research and community heart projects."

In citing the local nature of the work being done with money raised in this county, McCormick cited research projects under way at Stanford University.

Quito PTA Honors Teachers

"From an Acorn to a Mighty Oak" was the theme for the annual Founders Day program of the Quito P. T. A. which was held last Tuesday evening. Mrs. Esther Fore, chairman for the evening, introduced Mrs. Claire Loftus, who presented a reading about the trials, tribulations and rewards of a mother and father bringing up their children. Mrs. James Barnett's Girl Scout Troop led the pledge to the Flag and gave a card poem that spelled out Founders Day. The inspirational was read by Mrs. Fred Harper.

Mrs. Don Faust, president of the unit, presented the past presidents, Mrs. Snider and Mrs. Tom Stevenson, with corsages; and Mrs. E. P. Fox a past presidents pin.

The unit honored Quito teachers, Mesdames Doris Hubbard, Marjorie Foster, Notia Smith, Esther Fore, Phyllis Ball, Esther Craig, E. Habenicht, Florence Gilmore, Dorothy Sutter, principal; Myra Bosch. Clerk. Misses Jeanne Tenhaeff, Laura Blaine, and Messers Thomas Wilberding, Gilman McMillan; Mr. Fomer and Mr. Lawless, custodians, with P. T. A. emblem pins and lapel buttons.

Birthday cake was served from a candle-lit table by Mrs. Elizondo, Mrs. Hogan, Mrs. Holland, Mrs. Hightower and Mrs. William Christiansen, hospitality chairman, who was in charge of refreshments.

Camping Equipment valued at $51,000 was contributed by members of the Boy Scouts of America to fellow Scouts in South Korea in a "good turn" project.

Frank H. Cutting of Harrison Avenue is recuperating at home after a sojourn in a San Jose Hospital. He is up and around and able to see friends now.

Mr. and Mrs. James Meredith of Rosemary Lane spent last weekend in Las Vegas, staying at the Sahara Inn where they had several long chats with Jean Krupa, the famous drummer who is now playing there. They report Las Vegas has grown so much since their last trip that they found it hard to realize it was the same place. While the Merediths were on their trip, their two boys Hooter and Tony, had a trip of their own. Mrs. Meredith's mother, Mrs. Edith Ripley, took the boys to Vallejo with her to visit relatives.

Mr. and Mrs. Merle Faulkner of Kansas City, Missouri, stopped in for a one day visit with his brother and his family, Mr. and Mrs. Lawrence Faulkner of Roemary Lane. The Kansas City Faulkners were on their way south on a business trip.

Air Force Staff Sergeant Clarence L. Jetton spent a few days home on leave visiting his mother, Mrs. Pearl Jetton of 112 Dillon Avenue. While here he also visited his sisters, Mrs. Tommy Blackmun and Mrs. Virgil Gundy. Sergeant Jetton was returning from the radar school at Lowry Field, Denver, where he stood 3rd highest in his class, and is now enroute to McClellan Field in Sacramento. On March 2 he is scheduled to go to school at Lockheed in Burbank to finish advanced training. Upon completion of this course he will be a radar Technician.

Del Lucot, public accountant, announced he has made two new additions to his staff, Alma Snyder and Jean Forrester.

DR. W. B. MORELL Who had offices at 273 E. Campbell avenue is now at 251 O'Connor Drive in San Jose.

Laye Pounds, son of Mr. and Mrs. Howard Pounds of 139 West Latimer Avenue, a sophomore majoring in engineering has been invited to join Phi Eta Sigma, national honor fraternity at San Jose State College. He was graduated from Campbell High School.

Mr. and Mrs. Earl Handley and son Nickie of 512 Old Orchard Road returned Tuesday evening from Eureka where they expectd to do some fishing, but the steelhead were not headed that way so the Handley's headed for home.

Campbell PTA To See Tumbling Program Tuesday

"It gives a boy a feeling of individual accomplishment. They develop their skill as much as they want, or as little. This, as a whole, is not team work; it is mainly individual performance. Each boy shines in his own glory", said Robert Landreth, vice principal of Campbell Grammar School, concerning the tumbling, wrestling and trampoline extra curricular activities of the school which are to be the highlight of next Tuesday's PTA program. This meeting will be held in the evening at 7:30 p. m. so that fathers as well as mothers will be able to attend the program.

This physical education program was started two years ago by Landreth, who was then district P. E. consultant. Wrestling activities include five or six county schools who have an annual Santa Clara County tournament and in which Campbell placed third in competition and won one individual rating for Henri Zander, an eighth grade student in the 95 pound weight class. Joe Stein is now district P. E. Consultant and Ray Johnson the instructor. They schedule four dual meets a year and of these Compbell has won two.

Tuesday evening's exhibition will be the second public performance this year for the 20 to 30 boys enrolled in the course. There are three types of stunts, individual, team and comic. The boys also do one pyramid which includes the entire team.

For trampoline the boys found a leader in Bud Jolimay, school woodshop instructor. In trampoline all twelve boys taking the course give individual performances.

Brownie Troop Has Investiture

Seven little girls were welcomed into Brownie Troop 220 yesterday afternoon with an investiture ceremony held at the home of Mrs. Edward Wood at 333 Carlyn Avenue, co-leader for the troop. After they had peered into the magic pool to see the brownie and been whirled and twirled, they made their promise and were given their pins by their leader, Mrs. Edward Slater.

After the ceremony all members of the troop celebrated the birthday of Bonnie Cooper with a party given by her mother, Mrs. Olga Cooper.

Members of the troop are Dorothy Diehl, Bonnie Cooper, Robin Eto, Linda Farmer, Margaret Griffith, Jackie Haggerty, Christine Mazzeo, Laura Palm, Janie Slater and Toni Wood.

Quito Residents Want Youth Center

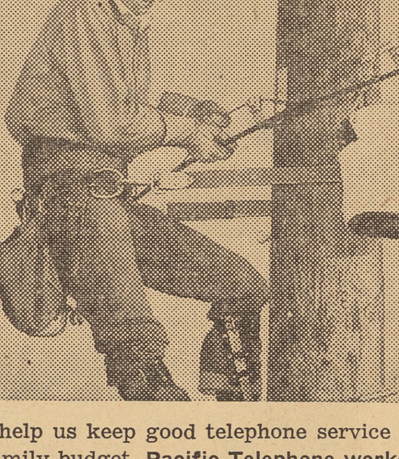
A Youth and Community Center meeting will be held Monday, March 7, at 8:00 p. m. in Quito School located at McCoy and Quito Roads. Everyone is welcome to attend. There will be a guest speaker from a nearby Youth Center.

Residents of the Quito School district feel there is a definite need for a Youth Center or Community Center in this district because there is no building available for gatherings of any kind. Even Quito School does not have a multi-purpose room in which to hold meetings. This meeting on March 7 is for the purpose of formulating plans, if possible, of a future Center. If enough residents show an interest in this project, merchants of the Quito Shopping Center will donate land for a building.

WHAT'S DOING

T. T. Cook, Jr., your Telephone District Manager for Campbell

New type of voiceway goes to work in rural areas



The telephone cable being put up by this lineman is one of the newest things in the telephone business. It looks like nothing so much as an old-fashioned twist of licorice. But actually it's six pairs of wire coated with a special abrasive-resistant plastic. The new cable was especially designed for use in telephone lines in areas where homes are widely scattered. It's extremely light and easy to work with. And its cost in use is less than other kinds of wire. Savings like this help us keep good telephone service one of the best buys in your family budget. **Pacific Telephone works to make your telephone a bigger value every day.**

Bucs Face Crucial Test

Campbell To Tangle With Santa Clara For League Title Saturday

The Campbell High gymnasium is expected to be packed tomorrow night as the Campbell Bucs and the Santa Clara Panthers square off in the final and deciding game of the Santa Clara Valley Athletic League. Both teams are undefeated and have five wins.

Both are high scoring teams, with tall, well-coached players performing without individual stars but with precision teamwork. One break could decide the game.

There has been a big demand for seats. Last Friday Santa Clara won 55-48 from Los Gatos with Jim Fuller chalking 22 points for the Wildcats. The Panthers are playing a freshman, Bob Lister, 6 foot three who amazes with arc shots from corners. He is the surprise player of the league, having only been graduated last June from Sunol Grammar School. They also have a freshman, Larry Guilford, at forward, six feet one who has averaged 12 points per game in conference play. Ray Araudo at guard is key man for the Santa Clarans, but the two freshmen are apt to get away with some sensational shots and they seem to click in the last quarter.

Campbell, too, has a team capable of a quick run up on the score board. Tony Schraub is one of the best competitive players in the league and seems to come through when points are needed, while Rahn Sparrer, the 6 foot five inch center is doing good back board work. It is the team play however which is the Campbell strength.

Tomorrow night's probable lineups in the big Varsity game for the championship:

SANTA CLARA		CAMPBELL
Guilford	f	Arman
Stevenson	f	Harris

PLANS ARE COMPLETED FOR BASKETBALL TOURNAMENT

At least 200 boys of the Campbell Grammar School district are expected to take part in the 5th and 6th grade basketball tournament which is to be held in the boys and girls gymnaiums at Campbell High School, Saturday, February 26, according to Joe Stein, physical education consultant. The affair is sponsored by the Campbell Kiwanis Club.

One bus will pick up boys at Quito, San Tomas and Cherry Lane schools starting at 8 a. m. while at the same time another bus is picking up groups at Moorpark, Dover and Hamilton schools.

The "A" tournament is to be played cross court in the boys' gym, eight teams being divided into two four-team brackets to play three game round robin per bracket. The team with the higest number of points in each bracket goes into the finals.

"B" games include two 4-minute halves. Score keepers and time keepers are to be Kiwanians. Ribbons are to be given all boys participating and boys on the winning A and B teams will get cloth basketballs.

Coaches and officials will be provided lunch by the High School.

Netops Prepare For Pocahontas

The home of Mrs. Jess Peters, 90 Cherry Lane, was the setting for the recent meeting of the Sequoia Sewing Club, of Netops Council No. 247. Dover Panelists Discuss Present Grading System

A continuation of the panel discussion "Report Cards—Past and Present", moderated by Peter Zavlaris, was a highlight of last Monday's meeting of the Dover Home and School Club meeting. The general outcome of the discussion was, at least, a better understanding of the present grading system but it was also the consensus of the group that there is room for improvement. Mrs. Otto Peterson, district coordinator for the Campbell School district, replaced Mrs. Norval Imgram, Dover teacher. Mrs. Vinton Matthews, Peter Franusich, district psychometrist; Duane Beaubien, Dover principal; W. D. Jones, and Pat Koster completed the panel.

The meeting was opened by Brownie Troop 271 of the Dover School presenting the colors and leading the pledge of allegiance. Duane Beaubien announced that a recreation program will begin at the school on February 26, with Richard Miller, student teacher from San Jose State, as the director. Miss Marilyn Ramey's first grade class won the $5 award for the most parents present and Mrs. Kent Crockett's class were the recipients for a prize for getting the most members for the recent membership drive. Burch Calkins, president, conducted the meeting.

Miss Marilyn Ramey's first graders entertained parents with a Valentine song and then presented a dance with motions and words.

At the close of the meeting coffee and cake with a Valentine theme were served by the second grade mothers.

AHS To San Francisco

On Saturday, February 26, about sixty Art Honorary members and art students are planning to take an art trip to San Francisco. They are planning to have a big day with plenty of places to visit such as the Art Museum, Fisherman's Wharf, a harbor cruise on the bay, and to visit the Emporium. They are leaving school at 8:45 and are planning to be back at 5:30.

Mrs. Flagg, Mr. and Mrs. Blackmun, Mrs. Winston, and Mrs. Richard Tansey are the five adults who are going to accompany the group. The bus driver will be Mr. K. Brown. Mrs. Tansey will give a personalized tour of the art museum at the Golden Gate Park.

Th art students are going to bring along a sketch pad and pencil for all through this trip they will be sketching pictures of objects or scenes that are interesting to them.

Morgan Hill Coop Dryer Expanding

Inadequate gas pipe lines may curtail the building at the Morgan Hill Cooperative dryer.

The line feeding the gas-heated drying tunnels is too small.

Al Peter, manager, stated that the cooperative is planning to go ahead with the $95,000 expansion and build four tunnels. He added that growers are signing up now to be included in the cooperative and that if enough growers sign that more tunnels will be built.

San Tomas Follies Can-Can Cuties Set For Saturday

"They certainly can—can can", these San Tomas male charmers. The butcher, the grocer, the salesmen, all seem to have jumped out of a hot potato to entertain at the San Tomas Follies Saturday night, February 26th, at 8:00 p. m. in the San Tomas School cafetorium.

"Fischerace", with all his ivories shining, will entertain at the Steinway, and his "brother George" will keep the candelabra and the audience aglow. The faculty of San Tomas will demonstrate how they love Mambo; Betty Bowden will present a pantomime; and a dramatic sketch, "The Bridge Party", will be performed by members of the usually strong and silent sex.

"What a Life", a burlesque on Ralph Edwards' "This Is Your Life", will reveal the modus vivendi of a popular member of the community.

The male spectator modeling the most elaborate Spring bonnet, as judged by the audience, will be awarded a prize.

Dancing and refreshments will follow the stage show. Tickets for the event are still on sale by members of the fifth and sixth grades and the cast. Donations are for the benefit of the PTA, which sponsors the Follies.

The committee presenting the program are Mr. and Mrs. Ed Miller, chairmen; Mesdames Ray Benech, Steve Anderson, Ray Snyder and Dale Hack; Messrs. B. L. Bowden, Robert Farrell and Jack Fischer.

Lt. Odus McGowen Of Campbell With Airborne Division

Second Lieutenant Odus E. McGowen, son of Mrs. Anna McGowen, 59 Dillon Ave., Campbell, Calif., has been assigned to the 11th Airborne Military Police Company of the 11th Airborne Division, Fort Campbell, Ky.

Lt. McGowen was graduated from the Campbell Union High School, and later attended San Jose State College, where he received both his degree and ROTC commission upon graduation in June, 1953.

Prior to his assignment with the Division, the Lieutenant was stationed at Fort Benning, Ga., where he attended the Basic Infantry Officers Course.

LEGAL NOTICE

RESOLUTION OF INTENTION TO ANNEX CONTIGUOUS TERRITORY TO COUNTY SANITATION DISTRICT NO. 4 OF SANTA CLARA COUNTY, AND PROVIDING FOR NOTICE OF TIME AND PLACE OF HEARING THEREON.

WHEREAS, there has heretofore been filed with the Board of Supervisors of Santa Clara County a petition requesting this Board to annex to County Sanitation District No. 4 of Santa Clara County certain additional territory described in said petition, and which said territory is more particularly hereinbelow described; and

WHEREAS, it appearing to this Board that said particularly described territory is not within the boundaries of any other County Sanitation District or any other district formed for similar purposes; and

It further appearing to this Board that said contiguous territory will be benefited by virtue of its annexation to said County Sanitation District No. 4,

NOW, THEREFORE, IT IS HEREBY RESOLVED that Monday, the 21st day of March, 1955, at the hour of 11:00 O'clock A. M. of said day, at the chambers of the Board of Supervisors of the County of Santa Clara, in the Civic Center Building, First and Rosa Streets, in the City of San Jose, State of California, is hereby fixed as the time and place at which this Board will hear and consider the matter of the annexation of said contiguous territory to County Sanitation District No. 4 of Santa Clara County, and at which time and place any and all persons interested in said matter may appear and be heard and show cause, if any they have, why such territory should not be annexed to said district.

That the territory hereinabove referred to is that certain real property situate in the County of Santa Clara, State of California, and more particularly described as follows, to wit:

All that certain real property situate, lying and being in the County of Santa Clara, State of California, and more particularly described as follows:

Beginning at the intersection of the centerline of Meridian Road, a 66 foot street, and the westerly extension of the northerly line of Lots 7, 8, 9, and 10 of Block 7 of the Sainsevain Villa as shown upon the Map of Sainsèvain Villa, Santa Clara County, California, which said Map was recorded June 19, 1876, in Book "A" of Maps, at Page 11, in the Office of the County Recorder, Santa Clara County, California; thence running easterly along the extension and northerly line of said lots 7, 8, 9 and 10 of Block 7 to a point, said point being 109.47 feet more or less east along the northerly line of said Lot 10 of Block 7 from the northerly corner common to said Lots 9 and 10 in Block 7; thence running southerly and parallel with the easterly line of said Lot 10 in Block 7 and the southerly extension thereof to the centerline of Fruitdale Avenue, formerly Carlos Street, a 60 foot street; thence westerly along the centerline of the said Fruitdale Avenue 30.15 feet more or less to a northeasterly corner of the boundary of County Sanitation District No. 4; thence continuing along the centerline of the said Fruitdale Avenue and a northerly boundary of County Sanitation District No. 4 to the centerline of said Meridian Road and an easterly boundary of County Sanitation District No. 4; thence northerly along the centerline of said Meridian Road and an easterly boundary of County Sanitation District No. 4 to the point of beginning.

AND BE IT FURTHER RESOLVED that notice of the time and place of said hearing be given by publishing a copy of this Resolution and Notice once a week for two (2) successive weeks in the Campbell Press, a newspaper of general circulation in said County Sanitation District No. 4 and in the territory proposed to be annexed to said district.

PASSED AND ADOPTED by the Board of Supervisors of the County of Santa Clara, State of California, this 21st day of February, 1955, by the following vote:
AYES: Supervisors, Brown, Della Maggiore, Levin, Gaspar
NOES: Supervisors, None
ABSENT: Supervisors, McKinnon

Pioneer In F.F.A. Movement

CAMPBELL HIGH SENDING 28 TO LIVESTOCK SHOW

A leader and pioneer in the Future Farmers of America movement, Campbell High School is planning to send a group to the Junior Grand National Livestock Exposition April 1-6 at the Cow Palace, San Francisco. There were agricultural high schools and colleges all over the country after vocational agriculture was added to curriculums by the Smith-Hughes Act in 1917. The first of these classes in California was started at Campbell High School.

Al Smith, agriculture teacher here since 1945, son of a former Campbell High School principal, was graduated from Cal Poly where he was feature editor for the college paper and was student body president.

The first ag class for boys had but seven members, three now being active ranchers in the valley. Today the chapter has 95 members, 28 of whom will be at the Cow Palace exposition with their 140 hogs, six lambs and four steer.

Gary Melott is president of the FFA chapter here with Frank Mattos secretary, Doyle Morgan treasurer, Richard Wilson reporter and Peter Castellanos as sentinel.

Santa Clara Schools, following the Campbell lead, enroll today over 700 FFA members. They are at James Lick High, Fremont, Live Oak, Gilroy, Los Gatos, San Jose High, Willow Glen High and Abraham Lincoln High Schools.

Premiums to $24,000 are offered at the Junior Grand National. More than 1000 FFA and 4-H Club boys and girls are expected to exhibit 3,000 head of livestock and to take parts in horse show and competitive events.

GOP Women To Hear Defense

The Campbell Republican Women's Club will meet Wednesday, March 2, at 2:00 p. m. at the home of Mrs. Ross Trowbridge, 13 Alice Way, Campbell.

Guest speaker on civil defense will be Mrs. Mary Edith Clifford, head of the county Welfare department. She is also coordinator of Welfare for civil defense in Santa Clara County. Anyone interested in civil defense is welcome to attend the meeting.

BILLY WILSON saw quite a few changes at the Cambrian School the other day from the time he attended there back in the World War II days, but some of the boys are just as eager about football as he was, so the great S. F. 49er star who still is a resident of Campbell gives a few pointers to Barry Hilton, left, Jeff Heinrich, Henry Lamprede and Barry Carrington while Ken Smith hovers over the ball. Billy Wilson is to be honored Saturday, February 26 at the high school auditorium in Campbell.

Music Is Theme For Country Women's Program

Gilda Mazzanti, a very promising violin artist and senior student at the San Jose State College, entertained the members of the Country Women's Club with a concert at last Monday's meeting. Miss Mazzanti chose as her selection "Ballade and Polonaise" by Viuxtemps and was accompanied on the piano by Bill Purdy, a junior at San Jose State College.

Miss Frances Robinson, assistant professor of music at San Jose State, told the group about music festivals she has attended on her several trips to Europe and illustrated her talk with pictures of many points of interest in France, Italy, Switzerland, the birthplace of Columbus and Chopin, the tomb of Napoleon, and the home of Richard Wagner where he composed the Opera "Siegfried".

Mrs. Doris Frank of Los Gatos, county chairman of Guide Dogs for the Blind, spoke of the great field for advancement for the blind and also showed a film, "Dogs for the Blind" which illustrated their training from puppies to the time of their vocational service.

Mrs. Gregory H. Parker was chairman of the day. She was assisted by Mesdames Handley Murray, Earl Gripenstraw, Rex Fuller, W. H. Scott. Mrs. C. B. Field will be chairman of the next meeting on March 7th.

Reservations for tables and for individual tickets are going well and a large crowd is anticipated as the affair is a parish benefit.

GARDEN CLUB BLOSSOMS OUT WITH CHERRY TREE PROGRAM

Since its conception in 1947, Campbell Garden Club, under the leadership of Mrs. Harold Peck adopted the slogan" Let's Blossom Out" and always had an ambitious program for beautification of Campbell. The fulfillment of their ideals and ambitions came into being early in 1950 with the adoption of a plan to purchase flowering Kwanzan Cherry Trees for planting throughout the town. Visioning the beauty of the famed flowering trees of Washington, D. C., club members resolved to plant these trees around public schools, churches, and approaches to Campbell, urging each member and home owner to plant some in their parking strips and front yards. Mrs. C. D. Wilson accepted chairmanship for this project, Mrs. Henry Parysek, President.

In October of 1950, plans were underway for a community meeting to further this tree planting project. Representatives of all Campbell organizations and individual residents were notified by a letter of this meeting and in November the meeting was held with a large attendance and an enthusiastic audience.

In 1951-52, Mrs. J. Norman Corvello presiding, Mrs. F. Smith was appointed chairman of the Kwanzan Cherry Tree Project. Already many trees had been purchased by individuals and given to public buildings, but even so, endeavors were being made to publicize the project and encourage the people to plant them. A postr contest was held among the elementary school are classes and these posters were displayed throughout the community. Under the instruction of Mrs. Thelma Wathen, first prize winner was Barbara Landsdale, second prize to Scotty Vanagless and third prize to Renate Schubert with honorable mention to Bud Gusman.

As of January, 1952, Mrs. F. Smith announced at the beginning of the 1952 tree project program that approximately 100 trees had been given by the Campbell Garden Club and over 300 trees were planted by residents of Campbell. This year a poster contest was sponsored among the pupils of Miss Taylor's class of the Campbell Grammar School. These were all seventh grade pupils. Winners were 1st, John Hausell; 2nd, Judy Eichman; 3rd, Sally Anderson with honorable mention to Linda Romero, Jackie Witson, Dale Corey, Joyce Takano.

In 1952-53, Mrs. A. F. Leal presiding, Mrs. F. Smith again tree project chairman, Campbell Garden Club was truly proud when it was announced that the new school under construction at the end of Giles Way had been named "Cherry Lane School" at the suggestion of Mrs. LaVerne Whistler of Budd Ave. during a naming contest sponsored by the City of Campbell. The name was suggested due to the fact that there were so many trees planted on Giles Way. A petition soon followed to change the name of their street from Giles Way to "Cherry Lane". which was approved by the City Council.

In 1953-54, Mrs Lloyd Brown was elected president, with Mrs. H. G. Blohm accepting chairmanship of the Tree Project, but due to illness, she had to give it up and Mrs. F. Smith again took the head. Whenever an affair was being sponsored by the Campbell Garden Club, monies received were used to further the tree planting project and the beautification of Campbell.

Plans for the 1954-55 year, Mrs. Robert Dunn, president, and Mrs. B. L. Roberts the chairman, are now underway. A preliminary meeting was held recently and the committee was in agreement that the project be continued.

Since its inception in 1950, The Kwanzan Cherry Tree Project was forever in the public's view. Yearly a float was entered in the Old Settler's Day Parade. In 1952, a float won Third Prize.

Among the recipients of the cherry trees are: Campbell High School, St. Lucy's Church and Parochial School, Assembly of God Church, Congregational Church, Campbell Grammar School, Moorpark Grammar School, San Tomas, Moreland, Parker Union, El Quito Park, Cypress, Cambrian, Cherry Lane and Dover Schools; Campbell Methodist Church, two Baptist Churches, 1st Baptist Church on Lovel, and the Campbell Library.

The Kwanzan Flowering Cherry Tree was chosen because of its beauty. This tree, planted the early part of the year, grows fairly fast and is easy to care for. Blooming is in the middle of April and lasts for several weeks. They can be spotted throughout Campbell, but if one were to drive down Carlyn, Milton, North Second or Cherry Lane during the peak of the blossoming time, they will be awed by the beauty of the blossoms.

Trees vary in size and price. They can be purchased from nurseries upon request. A liberal discount has been extended to Campbell Garden Club Members and anyone purchasing a tree through a Campbell Garden Club Member. Anyone desiring further information on the Kwanzan Flowering Cherry Tree, call Mrs. B. L. Roberts, FR 8-0562, Mrs. F. Smith, FR 8-3845 or Mrs. R. Dunn, FR 8-3071.

CHRISTIAN SCIENCE

The vital need for proofs rather than mere professions of Christian power will be stressed in the Lesson-Sermon entitled "Christ Jesus" to be read at Christian Science services on Sunday.

Selections from the Bible include the following passage from the Sermon on the Mount (Matthew 5:16): "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven".

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (233: 1-5): "Every day makes its dedemands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit as Jesus destroyed them."

The Golden Text is from I John (4:9): "In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him."

COUNTRY WOMAN'S CLUB HEARS ABOUT GUIDE DOG SETUP

A feature of the program at the regular meeting of the Country Womens Club on Monday, February 21st, at their clubhouse in Campbell, was a presentation of a film by Mrs. Henry Frank, Santa Clara County Chairman of Guide Dogs for the Blind. "INSIDE STORY" is a documentary film in color, narrated by William Winter, showing how a small closely-knit staff of 16 people handle the entire job of administering the 11-acre training school for Guide Dogs for the Blind at San Rafael, California, and servicing the 22-state organization in the field. All funds are raised by volunteer committees.

Following the program an election of officers will be held. Refreshments will be served and child care provided.

DEMOCRATIC CLUB AT CAMBRIAN MEETS

At a meeting last night in the home of William Hanley on Eldon Drive in Cambrian Park, members of the Democratic Club there heard a talk on "Semantics and Politics" by Harry Bloom, teacher at Lincoln High School. William W. Ruhland presided.
